Dear Fellow Stockholders:

I am pleased to invite you to our 2024 Annual Meeting of Stockholders (the “Annual Meeting”), which will be held on Thursday, June 20, 2024, at 4:30 p.m. Eastern Time. The annual meeting will be a virtual meeting conducted solely online via live webcast and can be attended by visiting meetnow.global/M6UKAPZ. If you plan to attend the meeting virtually on the Internet, you must register by following the instructions contained in the Voting Procedures section of this proxy statement. In connection with the Annual Meeting, you will be asked to consider and vote on certain stockholder proposals which are more fully described in the accompanying proxy statement. Whether or not you plan to virtually attend the Annual Meeting, we urge you to read the proxy statement (and any documents incorporated into the proxy statement by reference) and consider such information carefully before voting.

On the pages after this letter, you will find the notice of our 2024 Annual Meeting of Stockholders, which lists the matters to be considered at the meeting, and the proxy statement, which describes the matters listed in the notice.

Your vote at this meeting is important. Whether or not you plan to virtually attend the meeting, I hope you will vote as soon as possible. If you are a stockholder of record, you may vote over the Internet or by telephone. You will find voting instructions in the notice and proxy statement and on the proxy card. If your shares are held in “street name”—that is, held for your account by a broker or other nominee—you will receive instructions from the holder of record that you must follow for your shares to be voted.

On behalf of the Board of Directors, I thank you for your continued support of Liquidia Corporation.

Yours sincerely,

/s/ Roger A. Jeffs, Ph.D.

NOTICE OF ANNUAL MEETING OF STOCKHOLDERS

NOTICE IS HEREBY GIVEN that the Annual Meeting (the “Annual Meeting”) of the holders of shares of common stock, each having a par value of \$0.001 per share (“common stock”), of Liquidia Corporation (“Liquidia” or the “Company”), will be held at 4:30 p.m. Eastern Time on June 20, 2024 virtually at meetnow.global/M6UKAPZ, to consider and take action with respect to the following:

1. A proposal to elect three Class III directors to serve on the Company’s Board of Directors (the “Board”) for a term expiring at our 2027 annual meeting of stockholders and until their successors are duly elected and qualified, or until such director’s earlier resignation, removal or death (the “Class III Director Election Proposal”);
2. A proposal to approve an amendment to our Certificate of Incorporation, as amended (the “Charter”) to increase the number of authorized shares of our common stock authorized from 100,000,000 shares to 115,000,000 shares (the “Charter Amendment Proposal”);
3. A proposal to ratify the appointment of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2024 (the “Auditor Ratification Proposal”);
4. A proposal to approve, by non-binding advisory vote, the compensation of our named executive officers (the “Advisory Vote on the Compensation of Our Named Executive Officers Proposal”);
5. A proposal to approve, by non-binding advisory vote, the frequency of future votes on the compensation of our named executive officers (the “Advisory Vote on the Frequency of Future Advisory “Say-On-Pay” Votes Proposal”); and
6. To transact such other business as may properly come before the Annual Meeting or any postponement or adjournments thereof.

The annual meeting will be a virtual meeting conducted solely online and can be attended by visiting meetnow.global/M6UKAPZ. If you plan to attend the meeting virtually on the Internet, you must register by following the instructions contained in the Voting Procedures section of this proxy statement.

Holders of common stock of record at the close of business on April 26, 2024 are entitled to notice of and to vote at the Annual Meeting or any postponements or adjournments thereof.

We have provided access to our proxy materials, including our Annual Report, to each stockholder of record in a fast and efficient manner via the Internet. As more fully described in the Notice, all stockholders may choose to access our proxy materials on the website referred to in the Notice or may request to receive a printed set of our proxy materials. In addition, the Notice and website provide information regarding how you may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis.

PROXY STATEMENT

Anticipated to be Mailed on or about May 6, 2024

Annual Meeting of Stockholders to be held at 4:30 p.m. Eastern Time on June 20, 2024

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board”) of Liquidia Corporation (the “Company”) to be used at the Annual Meeting of the holders of shares of common stock, par value \$0.001 per share (“common stock”), of the Company, to be held at 4:30 p.m. Eastern Time on June 20, 2024 and at any postponements or adjournment thereof (the “Annual Meeting”). The annual meeting will be a virtual meeting conducted solely online and can be attended by visiting meetnow.global/M6UKAPZ. If you plan to attend the meeting virtually on the Internet, you must register by following the instructions contained in the Voting Procedures section of this proxy statement. The time and place of the Annual Meeting are stated in the Notice Regarding Internet Availability of Proxy Materials (the “Notice”) and the Notice of Annual Meeting of Stockholders that accompanies this proxy statement. In this proxy statement, we sometimes refer to Liquidia Corporation and its wholly owned subsidiaries, Liquidia Technologies, Inc., a Delaware corporation (“Liquidia Technologies”), and Liquidia PAH, LLC, a Delaware limited liability company (“Liquidia PAH”), collectively, as “Liquidia,” the “Company,” “we” or “us.”

The expense of soliciting proxy cards, including the costs of preparing, assembling and mailing the Notice Regarding Internet Availability of Proxy Materials and the Notice of Annual Meeting of Stockholders, proxy statement and proxy card, will be borne by us. Instead of mailing a printed copy of our proxy materials, including our Annual Report, to each stockholder of record, we have decided to provide access to these materials in a fast and efficient manner via the Internet. This reduces the amount of paper necessary to produce these materials, as well as the costs associated with mailing these materials to all stockholders. The virtual meeting platform is fully supported across browsers (MS Edge, Firefox, Chrome and Safari) and devices (desktops, laptops, tablets and cell phones) running the most up-to-date version of applicable software and plugins. We encourage you to access the meeting prior to the start time. For further assistance should you need it, you may call 1-888-724-2416.

HOW DO I VOTE?

If your shares are registered directly in your name, you may vote:

- **Over the Internet or by Telephone.** If you are a registered stockholder (that is, if you hold your stock directly and not in street name), you may vote by telephone or over the Internet by following the instructions included in the Notice by accessing the Internet at www.envisionreports.com/LQDA and following the instructions contained on that website. Stockholders with shares registered directly with us may vote (i) by telephone by dialing 1-800-652-8683 toll-free from the United States, U.S. territories and Canada or (ii) by Internet at www.envisionreports.com/LQDA and following the instructions contained on that website. Internet and telephone voting are available 24 hours a day. You must specify how you want your shares voted or your Internet or telephone vote cannot be completed and you will receive an error message. Your shares will be voted according to your instructions.
- **By Mail.** You may vote by mail by signing, detaching and returning the bottom portion of the proxy card with the postage prepaid envelope addressed to Computershare, Inc. provided with the proxy materials. If you wish to request a printed copy of the proxy materials by mail, send an email to investorvote@computershare.com by June 10, 2024 with "Proxy Materials—Liquidia" in the subject line. Include your full name and address in the email, plus the number located in the shaded bar on your Notice, and state in the email that you want a paper copy of the meeting materials. Your proxy will be voted according to your instructions. If you do not specify how you want your shares voted, they will be voted as recommended by our Board.

- **Virtually at the Annual Meeting.** If you virtually attend the Annual Meeting, you may vote online during the Annual Meeting. To vote at the Annual Meeting, you must access meetnow.global/M6UKAPZ and will need the control number located on your proxy card or to follow the instructions that accompanied your proxy materials. We recommend that you log-in at least 15 minutes before the Annual Meeting starts to ensure that you are logged in when the virtual meeting begins. Only our stockholders and persons holding proxies from our stockholders may attend the Annual Meeting. Please see “How Can I Attend the Meeting?” and “How Do I Register to Attend the Annual Meeting Virtually on the Internet” above for more information.

If your shares are held in “street name” (held for your account by a broker or other nominee) you may vote:

- **Over the Internet or by Telephone.** You will receive instructions from your broker or other nominee if you are permitted to vote over the Internet or by telephone.
- **By Mail.** You will receive instructions from your broker or other nominee explaining how to cast your vote.
- **Virtually at the Annual Meeting.** Contact the broker or other nominee who holds your shares to obtain a broker’s proxy card. **You will not be able to vote at the Annual Meeting unless you have a proxy from your broker issued in your name giving you the right to vote the shares.** Please see “How Can I Attend the Meeting?” and “How Do I Register to Attend the Annual Meeting Virtually on the Internet” above for more information.

HOW CAN I CHANGE MY VOTE?

You may revoke your proxy and change your vote at any time before the Annual Meeting. To do this, you must do one of the following:

- Vote over the Internet or by Telephone as instructed above. Only your latest Internet vote is counted.
- Sign and date a new proxy and submit it as instructed above. Only your latest proxy vote is counted.
- Virtually attend the Annual Meeting and vote online by accessing meetnow.global/M6UKAPZ. Virtually attending the Annual Meeting will not revoke your proxy unless you specifically request it. Please see “How Can I Attend the Meeting?” and “How Do I Register to Attend the Annual Meeting Virtually on the Internet” above for more information.

WILL MY SHARES BE VOTED IF I DO NOT RETURN MY PROXY?

If your shares are registered directly in your name, your shares will not be voted if you do not vote over the Internet, by telephone or return your proxy, or virtually attend and vote at the Annual Meeting. If you have misplaced your proxy, you may obtain another by following the instructions provided in the Notice or by accessing the Internet website at www.envisionreports.com/LQDA and following the

instructions contained on that website.

If your shares are held in “street name,” your brokerage firm, under certain circumstances, may vote your shares for you if you do not return your proxy. Brokerage firms have authority to vote customers’ unvoted shares on matters that the New York Stock Exchange (“NYSE”) determines to be “routine.” If you do not give a proxy to your brokerage firm to vote your shares, your brokerage firm may either: vote your shares on routine matters, or leave your shares unvoted. Proposal 1, the election of three Class III directors, is not considered a routine matter. Proposal 2, the approval of the amendment to increase the number of authorized shares of our common stock from 100,000,000 shares to 115,000,000 shares, is considered a routine matter. Proposal 3, the ratification of the independent registered public accounting firm, is considered a routine matter. Proposal 4, the approval, by non-binding advisory vote, of the compensation of our named executive officers, is not considered a routine matter. Proposal 5, the approval, by non-binding advisory vote, of the frequency of future votes on the compensation of our named executive officers, is not considered a routine matter. We therefore strongly encourage you to provide voting instructions to your brokerage firm by submitting your proxy. This ensures your shares will be voted at the meeting according to your instructions. You should receive directions from your brokerage firm about how to submit your proxy to them.

IF I DO NOT GIVE INSTRUCTIONS TO MY BANK OR BROKER, WHAT MATTERS DOES MY BANK OR BROKER HAVE AUTHORITY TO VOTE UPON?

Brokerage firms and other intermediaries holding shares of our common stock in street name for customers are generally required to vote such shares in the manner directed by their customers. If you do not give instructions to your bank or broker within ten days of the Annual Meeting, it may vote your shares on our “routine” matters but will not be permitted to vote your shares with respect to “non-routine” matters. The proposal to approve an amendment to our Charter to increase the number of authorized shares of common stock and the proposal to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm are routine matters, while the election of our directors, the proposal to approve, by non-binding advisory vote, the compensation of our named executive officers, and the proposal to approve, by non-binding advisory vote, the frequency of future votes on the compensation of our named executive officers, are non-routine matters. When a bank or broker has not received instructions from the beneficial owners or persons entitled to vote and the bank or broker cannot vote on a particular matter because it is not routine, then there is a “broker non-vote” on that matter. Broker non-votes will be counted in determining whether there is a quorum for the Annual Meeting. **As a result, we strongly encourage you to submit your voting instructions and exercise your right to vote as a stockholder.**

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

It means that you have more than one account, which may be at the transfer agent, with stockbrokers or otherwise. Please vote over the Internet, or complete and return all proxies for each account to ensure that all of your shares are voted.

HOW MANY SHARES MUST BE PRESENT TO HOLD THE MEETING?

A majority of our outstanding shares of common stock as of the Record Date must be present at the Annual Meeting to hold the Annual Meeting and conduct business. This is called a quorum. Shares are counted as present at the Annual Meeting if the stockholder votes over the Internet or telephone, completes and submits a proxy or is virtually present at the Annual Meeting. Shares that are present that vote to abstain or do not vote on one or more of the matters to be voted upon are counted as present for establishing a quorum. If a quorum is not present, we expect that the Annual Meeting will be adjourned until we obtain a quorum.

WHAT VOTE IS REQUIRED TO APPROVE EACH MATTER AND HOW ARE VOTES COUNTED?**Proposal 1—Election of Three Class III Directors for a Term Expiring at our 2027 Annual Meeting of Stockholders**

If a quorum is present or represented by proxy at the meeting, each Class III director nominee must be elected by a plurality of the votes cast by the stockholders entitled to vote at the meeting. A plurality means that the nominees with the largest number of votes are elected as directors up to the maximum number of directors to be elected at the Annual Meeting. If your broker holds your shares in “street name,” and if you do not vote your shares, your brokerage firm does not have the authority to vote your unvoted shares held by the firm since such matter is not considered routine. When a bank or broker has not received instructions from the beneficial owners or persons entitled to vote and the bank or broker cannot vote on a particular matter because it is not routine, then there is a “broker non-vote” on that matter. Broker non-votes do not count as votes “FOR” any nominee but will be counted in determining whether there is a quorum for the Annual Meeting. You may vote “FOR” any one or more of the nominees or “WITHHOLD” from voting “FOR” any one or more of the nominees. Withheld votes and broker non-votes will not be considered as votes cast “FOR” any nominee and will therefore have no effect on the outcome of the vote. If you submit a proxy and no vote is specified on the proxy, and in the absence of directions to the contrary, the shares will be voted “FOR” each of the Class III director nominees.

Proposal 2—Approve the Amendment to Increase Authorized Shares of Common Stock under our Charter

To approve Proposal 2, if a quorum is present or represented by proxy at the meeting, stockholders holding a majority of Liquidia common stock outstanding must vote “FOR” the proposal. If a stockholder votes to “ABSTAIN,” it has the same effect as a vote “AGAINST.” As Proposal 2 is a routine matter, broker non-votes will not occur with respect to this proposal. If no vote is specified on the proxy and in the absence of directions to the contrary, the shares will be voted “FOR” the approval of an amendment to our Charter to increase the number of

authorized shares of our common stock from 100,000,000 shares to 115,000,000 shares.

Proposal 3—Ratify the Appointment of PricewaterhouseCoopers LLP as our Independent Registered Public Accounting Firm for the Year Ending December 31, 2024

To approve Proposal 3, if a quorum is present or represented by proxy at the meeting, stockholders holding a majority of Liquidia common stock present or represented by proxy at the Annual Meeting and voting on the matter must vote “FOR” the proposal, meaning that the votes cast by the stockholders “FOR” the approval of the proposal must exceed the number of votes cast “AGAINST” the approval of the proposal. If a stockholder votes to “ABSTAIN,” it has the same effect as a vote “AGAINST.” As Proposal 3 is a routine matter, broker non-votes will not occur with respect to this proposal. If no vote is specified on the proxy and in the absence of directions to the contrary, the shares will be voted “FOR” the ratification of the appointment of our independent auditor.

Proposal 4—Approve, by Non-Binding Advisory Vote, the Compensation of Our Named Executive Officers

To approve Proposal 4, if a quorum is present or represented by proxy at the meeting, stockholders holding a majority of Liquidia common stock present or represented by proxy at the Annual Meeting and voting on the matter must vote “FOR” the proposal, meaning that the votes cast by the stockholders “FOR” the approval of the proposal must exceed the number of votes cast “AGAINST” the approval of the proposal. If a stockholder votes to “ABSTAIN,” it has the same effect as a vote “AGAINST.” If your broker holds your shares in “street name,” and if you do not vote your shares, your brokerage firm does not have the authority to vote your unvoted shares held by the firm since such matter is not considered routine. When a bank or broker has not received instructions from the beneficial owners or persons entitled to vote and the bank or broker cannot vote on a particular matter because it is not routine, then there is a “broker non-vote” on that matter. As Proposal 4 is not a routine matter, withheld votes and broker non-votes will have no effect on the outcome of this proposal. If you submit a proxy and no vote is specified on the proxy, and in the absence of directions to the contrary, the shares will be voted “FOR” the approval, by non-binding advisory vote, of the compensation of our named executive officers.

Proposal 5—Approve, by Non-Binding Advisory Vote, the Frequency of Future Votes on the Compensation of Our Named Executive Officers

To approve Proposal 5, if a quorum is present or represented by proxy at the meeting, the affirmative vote of stockholders holding a majority of Liquidia common stock present or represented by proxy at the Annual Meeting is required for the approval of this proposal. The frequency of the non-binding advisory vote on compensation of our named executive officers

receiving the greatest number of votes—every three years, every two years or every year—will be the frequency that stockholders approve. If your broker holds your shares in “street name,” and if you do not vote your shares, your brokerage firm does not have the authority to vote your unvoted shares held by the firm since such matter is not considered routine. When a bank or broker has not received instructions from the beneficial owners or persons entitled to vote and the bank or broker cannot vote on a particular matter because it is not routine, then there is a “broker non-vote” on that matter. As Proposal 5 is not a routine matter, abstentions, withheld votes and broker non-votes will have no effect on the outcome of this proposal. If you submit a proxy and no vote is specified on the proxy, and in the absence of directions to the contrary,” the shares will be voted “FOR” the approval, by non-binding advisory vote, of the future vote of our compensation of our named executive officers to occur every year.

The inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes, will tabulate all votes.

Our Board recommends that you vote:

- **“FOR” Proposal 1—elect three Class III directors to serve on the Board for a term expiring at our 2027 annual meeting of stockholders and until their successors are duly elected and qualified, or until such director’s earlier resignation, removal or death;**
- **“FOR” Proposal 2—approve the amendment to increase the number of authorized shares of our common stock under our Charter;**
- **“FOR” Proposal 3—ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the year ending December 31, 2024;**
- **“FOR” Proposal 4—the approval, on an advisory basis, of the compensation of our named executive officers; and**
- **“FOR” Proposal 5—a frequency of “ONE YEAR” for future advisory votes on the compensation of our named executive officers.**

We do not know of any other matters that may come before the Annual Meeting other than the election of Class III directors, the approval of the amendment to our Charter, the ratification of the independent registered public accounting firm, the approval, on an advisory basis, of the compensation of our named executive officers and the approval of the frequency to have future advisory votes on the compensation of our named executive officers. If any other matters are properly presented to the Annual Meeting, the persons named in the accompanying proxy intend to vote, or otherwise act, in accordance with their judgment.

We intend to announce preliminary voting results at the Annual Meeting. We will publish final results in a Current Report on Form 8-K, which will be filed with the Securities and Exchange Commission (the “SEC”) no later than four business days following the Annual Meeting. To request a printed copy of our filings with the SEC, please write to Investor Relations, Liquidia Corporation, 419 Davis Drive, Suite 100, Morrisville, North Carolina 27560, or e-mail Investor Relations at IR@liquidia.com. You will also be able to find a copy on the Internet through our website at www.liquidia.com or through the SEC’s electronic data system, called EDGAR, at www.sec.gov. Our website is not part of this proxy statement; references to our website address in this proxy statement are intended to be inactive textual references only.

WHO WILL PAY FOR THE COSTS OF SOLICITING THESE PROXIES?

We will pay the costs of soliciting proxies. In addition to mailing the Notice, our directors, officers and employees may solicit proxies by telephone, e-mail and in person, without additional compensation. Upon request, we will also reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for distributing proxy materials to stockholders.

HOW CAN I RECEIVE FUTURE PROXY STATEMENTS AND ANNUAL REPORTS OVER THE INTERNET?

This proxy statement and our Annual Report for the fiscal year ended December 31, 2023 are available on our Internet site at www.liquidia.com. This proxy statement and our Annual Report for the fiscal year ended December 31, 2023 are also available on the Internet site at www.edocumentview.com/LQDA. Most stockholders can elect to view future proxy statements and annual reports over the Internet instead of receiving printed copies in the mail. If you are a stockholder of record, you can choose this option when you vote over the Internet and save us the cost of producing and mailing these documents. If you are a stockholder of record and choose to view future proxy statements and annual reports over the Internet, you will receive a proxy in the mail next year with instructions containing the Internet address to access those documents. If your shares are held through a broker or other nominee, you should check the information provided by them for instructions on how to elect to view future proxy statements and annual reports over the Internet.

WHY IS THE ANNUAL MEETING BEING HELD VIRTUALLY?

We are excited to embrace the latest technology to provide expanded access, improved communication and cost savings for our stockholders and the Company. We believe that hosting a virtual meeting will enable more of our stockholders to attend and participate in the meeting since our stockholders can participate from any location around the world with Internet access.

THE CLASS III DIRECTOR ELECTION PROPOSAL

The Company’s Bylaws (the “Bylaws”) provide that the authorized number of directors of the Company shall not be less than three nor more than eleven. Nine directors are currently serving on the Board. The Board is authorized to increase or decrease the total number of directors within the limitations prescribed by the Company’s Bylaws. The Company’s Bylaws and Charter divide the Board into three classes with staggered three-year terms. Pursuant to the Charter and Bylaws, no one class of directors has more than one director more than any other class of directors.

At the Annual Meeting, the stockholders will be asked to elect three directors to serve for three-year terms expiring at the annual meeting of stockholders in 2027. The Class III director nominees, whose terms of office will expire at the Annual Meeting, are Damian deGoa, Arthur Kirsch and Paul B. Manning. If each director is elected, the total number of authorized directors comprising the Company’s Board will remain at nine directors, effective immediately following the Annual Meeting.

The Board has nominated, upon the recommendation of our Nominating and Corporate Governance Committee, Messrs. deGoa, Kirsch and Manning. Proxies solicited by the Board will, unless otherwise directed, be voted to elect the three nominees named below. Each nominee has indicated a willingness to serve for the term to which they are nominated, if elected. In case any nominee is not a candidate at the Annual Meeting, the proxies named in the enclosed form of proxy intend to vote in favor of the remaining nominees and to vote for a substitute nominee in their discretion in such class, as they shall determine. Set forth below is certain information about the nominees for election as directors, including each nominee’s age, principal occupation and business experience for at least the past five years and the names of other publicly held companies on whose boards the nominee serves or has served in the past five years. There are no family relationships among any of our directors, nominees for director and executive officers.

NOMINEES FOR A THREE-YEAR TERM EXPIRING AT THE 2027 ANNUAL MEETING

THE CHARTER AMENDMENT PROPOSAL

Overview

Our Charter currently authorizes us to issue a total of 100,000,000 shares of common stock, with a par value of \$0.001 per share, and 10,000,000 shares of preferred stock, with a par value of \$0.001 per share, for a total of 110,000,000 shares of all classes. In April 2024, our Board approved an amendment to our Charter (the “Charter Amendment”) to increase the number of shares of authorized common stock from 100,000,000 shares to 115,000,000 shares, subject to stockholder approval, and consequently the total number of shares of all classes increased to 125,000,000.

Approval of the Charter Amendment requires the affirmative vote of the holders of a majority of the shares of common stock outstanding. Brokers are authorized to vote without instructions on this proposal. Abstentions are included in the shares present at the Meeting for purposes of determining whether a quorum is present, and are counted as a vote against for purposes of determining whether the foregoing proposal is approved.

Our Board has unanimously determined that the Charter Amendment is advisable and in the best interests of the Company and our stockholders and recommends that our stockholders approve the Charter Amendment. In accordance with the General Corporation Law of the State of Delaware (the “DGCL”), we are hereby seeking approval of the Charter Amendment by our stockholders. No other changes to our Charter are being proposed, including with respect to the number of authorized shares of our preferred stock. The Charter Amendment is not intended to modify the rights of existing stockholders in any material respect. The additional shares of common stock to be authorized pursuant to the proposed Charter Amendment will be identical to the shares of common stock currently authorized and outstanding under our Charter, none of which have preemptive or similar rights to acquire the newly authorized shares. Under the DGCL, our stockholders are not entitled to appraisal rights with respect to the proposed Charter Amendment to increase the number of authorized shares of common stock, and we will not independently provide stockholders with any such rights.

Reasons for the Authorized Shares Amendment

Our Board is proposing the Charter Amendment to increase the number of authorized shares of our common stock from 100,000,000 shares to 115,000,000 shares, and consequently increase the total number of shares of all classes from 110,000,000 to 125,000,000. Of the 100,000,000 shares of common stock that are currently authorized to be issued under the Charter, as of the Record Date, 76,382,718 shares are issued and outstanding and an aggregate of 14,629,139 shares are reserved for issuance under our equity plans and under warrant agreements. Therefore, we currently have only a limited number of authorized shares of common stock available for future issuance.

In determining the magnitude of the number of shares of common stock to authorize pursuant to the Charter Amendment, the Board considered a number of factors, including our historical issuances of shares and potential future needs, our need to issue additional shares in connection with one or more future equity transactions, acquisitions or other strategic transactions and future issuances under equity compensation plans.

The additional authorized shares will be available for issuance from time to time to enable us to respond to future business opportunities requiring the issuance of shares, including the consummation of equity-based financings involving common stock or securities convertible into or exercisable for common stock (“equity-linked securities”), acquisition or strategic joint venture transactions involving the issuance of common stock or equity-linked securities, grants of common stock and equity-linked securities to our current and future employees and directors, or for other general corporate purposes that our Board may deem advisable from time to time.

Our Board believes that the proposed increase in the number of authorized shares of common stock will also benefit us by improving our ability to raise funding through the issuance of shares of common stock. As of the date of this proxy statement, we have no current plans, arrangements or understandings regarding the issuance of any additional shares of common stock that would be authorized pursuant to this proposal (other

than in connection with the evergreen provision of our existing equity plans), and there are no negotiations pending with respect to the issuance thereof for any purpose. Our Board does not intend to issue any common stock except on terms which our Board deems to be in the best interests of our Company and its then existing stockholders.

Potential Effects of Not Approving the Charter Amendment

Without an increase in the number of authorized shares of common stock, we may be constrained in our ability to raise capital in a timely fashion or at all and may be unable to complete our clinical programs, commercialize our products, or conduct important business activities, which could adversely affect our financial performance and growth. For example, if the stockholders do not approve this proposal, then we may not have needed additional shares available or may be required to seek stockholder approval in connection with a transaction, which may delay or otherwise have a material adverse effect on us. If our Company's stockholders do not approve the increase in authorized shares of common stock, then our Company will not be able to increase the total number of authorized shares of common stock from 100,000,000 to 115,000,000, and therefore, the Company could be limited in its ability to use shares of common stock for financing, issue shares as consideration for potential acquisitions, issuing stock options or other general corporate purposes.

Potential Effects of Approving the Authorized Shares Amendment

The proposed increase in the number of authorized shares of common stock will not have any immediate effect on the rights of our existing stockholders. However, the Board will have the authority to issue the additional shares of common stock without requiring future stockholder approval of such issuances, except as may be required by applicable law or rules of any stock exchange on which our securities may be listed, including The Nasdaq Capital Market. The issuance of additional shares of common stock may decrease the relative percentage of equity ownership of our existing stockholders, thereby diluting the voting power of their common stock.

While the issuance of additional shares of common stock may be deemed to have potential anti-takeover effects, including by delaying or preventing a change in control of our Company through subsequent issuances of these shares and the other reasons set forth above, which, among other things, could include issuances in one or more transactions that would make a change in control of our Company more difficult, and therefore, less likely, this proposal to increase the authorized common stock is not prompted by any specific effort of which we are aware to accumulate shares of our common stock or obtain control of our Company. A takeover may be beneficial to independent stockholders because, among other reasons, a potential suitor may offer such stockholders a premium for their shares of common stock as compared to the then-existing market price.

The additional authorized shares of common stock, if and when issued, would be part of the existing class of common stock and would have the same rights and privileges as the shares of common stock currently outstanding. Stockholders do not have preemptive rights with respect to our common stock. Therefore, should the Board determine to issue additional shares of common stock, existing stockholders would not have any preferential rights to purchase such shares in order to maintain their proportionate ownership thereof.

We can provide no assurance that we will be successful in amending our Charter to increase the number of shares of common stock that are available for issuance, or that the Charter Amendment will not have an adverse effect on our stock price.

Our directors and executive officers have no substantial interests, directly or indirectly, in the matters set forth in this proposed amendment, except to the extent of their ownership in shares of our common stock and securities convertible or exercisable for common stock and to the extent of their participation in our existing equity plans.

Effectiveness of the Authorized Shares Amendment

The form of the Charter Amendment is attached as Exhibit A to this proxy statement. If the Charter Amendment is approved by our stockholders, it will become effective upon the acceptance by the Secretary of State of the State of Delaware of the filing of the Charter Amendment. Such filing is expected to occur promptly after stockholder approval of this proposal. If this proposal is not approved, our Charter would

remain unchanged and the number of authorized shares of common stock would remain 100,000,000. Other than as described herein, this proposed Charter Amendment effects no other changes to our Charter.

Vote Required

We are asking our stockholders to approve an amendment to our Charter to increase the total number of authorized shares of our common stock from 100,000,000 shares to 115,000,000 shares. A copy of the Charter Amendment is included as Exhibit A to this proxy statement.

The Charter Amendment Proposal requires the affirmative vote of the holders of a majority of the shares of common stock outstanding in order for such proposal to be approved.

Board Recommendation

After careful consideration, the Board determined that approval of the Charter Amendment Proposal is advisable and in the best interests of Liquidia and its stockholders. On the basis of the foregoing, the Board has approved and declared advisable the approval of the Charter Amendment Proposal and recommends that you vote “FOR” the approval of the Charter Amendment Proposal.

THE AUDITOR RATIFICATION PROPOSAL

Our Audit Committee has appointed PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for the year ending December 31, 2024. In connection with this appointment, PricewaterhouseCoopers LLP will examine and report to stockholders on the financial statements of the Company for 2024.

Although stockholder ratification of the appointment of our independent registered public accounting firm is not required by our Bylaws or otherwise, the Board has put this proposal before the stockholders because it believes that seeking stockholders’ ratification of the Audit Committee’s appointment of our independent registered public accounting firm is good corporate practice. This vote is only advisory, however, because the Audit Committee has the sole authority to retain and dismiss our independent registered public accounting firm. If the appointment of PricewaterhouseCoopers LLP is not ratified, the Audit Committee will evaluate the basis for the stockholders’ vote when determining whether to continue the firm’s engagement. Even if the appointment is ratified, the Audit Committee in its sole discretion may direct the appointment of a different independent registered public accounting firm at any time if it determines that such a change would be in the best interests of the Company and its stockholders.

Representatives of PricewaterhouseCoopers LLP are expected to be virtually present at the Annual Meeting and are expected to be available to respond to appropriate questions from stockholders. They also will have the opportunity to make a statement if they desire to do so.

Vote Required

Assuming the presence of a quorum at the Annual Meeting, the Auditor Ratification Proposal requires the affirmative vote of the holders of a majority of the shares of common stock present in person, by remote communication, or represented by proxy at the Annual Meeting and entitled to vote thereon, in order for such proposal to be approved. This means that the number of votes cast “FOR” must exceed the combined number of votes “AGAINST” and abstentions (which will each have the same effect as an “AGAINST” vote).

Board Recommendation

After careful consideration, the Board determined that ratification of the Audit Committee’s appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2024 is advisable and in the best interests of the Company and its stockholders. On the basis of the foregoing, the Board has approved and declared advisable the ratification of the Audit Committee’s appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2024 and recommends that you vote “FOR” the ratification of the Audit Committee’s appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2024.

- (3) Tax fees consist of fees billed for services including, but not limited to, assistance with tax compliance, tax advice and tax planning. There were no such fees in 2023 or 2022.
- (4) This category includes fees billed for the use of a research tool and automated disclosure checklist. There were no such fees in 2022.

The Audit Committee has considered whether the provision of these services by PricewaterhouseCoopers LLP is compatible with maintaining the independence of PricewaterhouseCoopers LLP. Further, pursuant to the Audit Committee's pre-approval policies and procedures described below, all of the services provided by PricewaterhouseCoopers LLP in 2022 and 2023 were approved in advance in accordance with the Audit Committee's pre-approval policies and procedures described below. The Audit Committee did not rely on the waiver of pre-approval procedures permitted with respect to *de minimis* non-audit services under the applicable rules of the SEC for its approval of any of the services provided by PricewaterhouseCoopers LLP in 2022 and 2023.

Pre-Approval of Audit and Permissible Non-Audit Services

Our Audit Committee requires pre-approval of all audit and non-audit services in one of two methods. Under the first method, the engagement to render the services would be entered into pursuant to pre-approval policies and procedures established by the Audit Committee, provided (i) the policies and procedures are detailed as to the services to be performed, (ii) the Audit Committee is informed of each service, and (iii) such policies and procedures do not include delegation of the Audit Committee's responsibilities under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), to the Company's management. Under the second method, the engagement to render the services would be presented to and pre-approved by the Audit Committee (subject to the *de minimis* exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act that are approved by the Audit Committee prior to the completion of the audit). The Audit Committee has the authority to delegate to one or more members of the Audit Committee the authority to grant pre-approvals of audit and permissible non-audit services by the independent registered public accounting firm, provided that all pre-approvals by such Audit Committee members must be presented to the full Audit Committee at its next scheduled meeting. The Audit Committee considers, among other things, whether the provision of such audit or non-audit services is consistent with applicable regulations regarding maintaining auditor independence, whether the provision of such services would impair the independent registered public accounting firm's independence and whether the independent registered public accounting firm is best positioned to provide the most effective and efficient service.

Report of the Audit Committee

The following Report of the Audit Committee shall not be deemed incorporated by reference into any of our filings under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act, except to the extent we specifically incorporate it by reference therein.

The Audit Committee reviews our financial reporting process on behalf of our Board. Management has the primary responsibility for the financial statements, the reporting process and maintaining our system of internal control over financial reporting. Our independent registered public accounting firm was engaged to audit and express opinions on the conformity of our financial statements with generally accepted accounting principles in the United States.

The Audit Committee of the Board has:

- Reviewed and discussed the Company's audited financial statements for the year ended December 31, 2023 with management;
- Discussed with PricewaterhouseCoopers LLP the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (PCAOB) and the SEC; and

- Received the written disclosures and a letter from PricewaterhouseCoopers LLP required by applicable requirements of the PCAOB regarding PricewaterhouseCoopers LLP's communications with the Audit Committee concerning independence, and the Audit Committee has further discussed with PricewaterhouseCoopers LLP their independence.

Based on the Audit Committee's review of the audited financial statements and discussions with management and PricewaterhouseCoopers LLP, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023 for filing with the SEC.

THE ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS PROPOSAL

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act, once we are no longer an emerging growth company, we are required to present a resolution to our stockholders to approve the compensation of our named executive officers, no later than the first anniversary of the date on which we cease to so qualify. Since we were no longer an emerging growth company as of December 31, 2023, we are asking our stockholders to approve, on a non-binding advisory basis, the compensation of our named executive officers, as disclosed in the “Executive Officers and Director and Officer Compensation” section of this Proxy Statement and the related compensation tables and disclosure.

As described below in the Compensation Discussion and Analysis section of this proxy statement, the executive officer compensation programs are designed to support our business goals and to promote short- and long-term profitable growth. We urge stockholders to read the “Executive Officers and Director and Officer Compensation” section of this Proxy Statement, which describes our executive compensation policies, and to review the other related compensation tables and narratives, which provide detailed information on the compensation of our named executive officers. Our Compensation Committee believes that our policies and procedures are effective in fulfilling our objectives and that the compensation of our named executive officers reported in this Proxy Statement has supported and will contribute to our long-term success.

This proposal, commonly known as a “say on pay” vote, gives stockholders the opportunity to endorse or not endorse the compensation of our executives as disclosed in this proxy statement. This proposal will be presented at the Annual Meeting as a resolution in substantially the following form:

RESOLVED, that the stockholders approve the compensation of our named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission in the compensation tables and related narrative disclosure in our Proxy Statement for the Annual Meeting.

This vote will not be binding on our Board and may not be construed as overruling a decision by our Board or creating or implying any change to the fiduciary duties of our Board. The vote will not affect any compensation previously paid or awarded to any executive. Our Compensation Committee and our Board may, however, take into account the outcome of the vote when considering future executive compensation arrangements.

Vote Required

Assuming the presence of a quorum at the Annual Meeting, the Advisory Vote on the Compensation of Our Named Executive Officers Proposal requires the affirmative vote of the holders of a majority of the shares of common stock present in person, by remote communication, or represented by proxy at the Annual Meeting and entitled to vote thereon, in order for such proposal to be approved. This means that the number of votes cast “FOR” must exceed the combined number of votes “AGAINST” and abstentions (which will each have the same effect as an “AGAINST” vote).

Board Recommendation

After careful consideration, the Board determined that the approval, on an advisory basis, of the compensation of our named executive officers is advisable and in the best interests of the Company and its stockholders. On the basis of the foregoing, the Board has approved and declared advisable the approval, on an advisory basis, of the compensation of our named executive officers and recommends that you vote “FOR” the approval, on an advisory basis, of the compensation of our named executive officers.

THE ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY “SAY-ON-PAY” VOTES PROPOSAL

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act, we are required to include in this Proxy Statement and to present at the Annual Meeting a non-binding stockholder vote on whether an advisory vote on the compensation of our named executive officers should be held every year, every two years or every three years. Our Board believes that an advisory “say-on-pay” vote on the compensation of our named executive officers should be held every year.

We believe that an annual non-binding advisory vote on the compensation of our named executive officers is the optimal frequency for our “say-on-pay” vote to allow stockholders to provide timely, direct input on our executive compensation philosophy, policies and practices as disclosed in the Proxy Statement each year. Additionally, an annual “say-on-pay” advisory vote on the compensation of our named executive officers is consistent with the policies of the Board, our nominating and corporate governance committee and our compensation committee to engage in an ongoing dialogue with our shareholders on our executive compensation practices and corporate governance matters.

This proposal, commonly known as a “say-on-frequency” vote, gives stockholders the opportunity to endorse or not endorse the decision of the Board to hold an advisory vote on the compensation of our named executive officers at each annual meeting of stockholders hereafter. This proposal will be presented at the Annual Meeting as a resolution in substantially the following form:

RESOLVED, that the stockholders approve our presentation at each annual meeting of stockholders hereafter of a proposal to approve the compensation of our named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission in the compensation tables and related narrative disclosure in our Proxy Statement for such Annual Meeting.

This vote will not be binding on our Board and may not be construed as overruling a decision by Board or creating or implying any change to the fiduciary duties of our Board. Our Compensation Committee and our Board may, however, take into account the outcome of the vote when considering the frequency of future advisory votes on the compensation of our named executive officers.

Stockholders can choose one of four choices for this Proposal on the proxy card: one year, two years, three years, or abstain. Stockholders are not voting to approve or disapprove our Board’s recommendation.

Vote Required

Assuming the presence of a quorum at the Annual Meeting, the Advisory Vote on the Frequency of Future Advisory “Say-On-Pay” Votes Proposal requires the affirmative vote of the holders of a majority of the shares of common stock present in person, by remote communication, or represented by proxy at the Annual Meeting and entitled to vote thereon, in order for such proposal to be approved. The frequency of the non-binding advisory vote on the compensation of our named executive officers receiving the greatest number of votes—every three years, every two years or every year—will be the frequency that stockholders approve.

Board Recommendation

After careful consideration, the Board determined that the approval, on an advisory basis, to have future advisory votes on executive compensation every year is advisable and in the best interests of the Company and its stockholders. On the basis of the foregoing, the Board has approved and declared advisable the approval to have future advisory votes on the compensation of our named executive officers every year. Therefore, the Board recommends that you vote “FOR” a frequency of “ONE YEAR” for future advisory votes on the compensation of our named executive officers.

LIQUIDIA CORPORATE GOVERNANCE

Director Independence

Our Board has determined that each of Drs. Bloch and Horobin, Ms. Rielly-Gauvin and Messrs. Johnson, Kirsch, Manning and Singh are independent directors as that term is defined under the applicable independence listing standards of the Nasdaq Stock Market LLC (“Nasdaq”). In making this determination, our Board applied the standards set forth in the Nasdaq listing standards and in Rule 10A-3 under the Exchange Act. In evaluating the independence of Drs. Bloch and Horobin, Ms. Rielly-Gauvin and Messrs. Johnson, Kirsch, Manning and Singh, our Board considered, as applicable, their current and historical employment, any compensation we have given to them, any transactions we have entered into with them, their beneficial ownership of our capital stock, their ability to exert control over us, all other material relationships they have had with us and the same facts with respect to their immediate families. The Board also considered all other relevant facts and circumstances known to it in making this independence determination. In addition, Drs. Bloch and Horobin, Ms. Rielly-Gauvin and Messrs. Johnson, Kirsch, Manning, Singh and deGoa are non-employee directors as of the date of this proxy statement, as defined in Rule 16b-3 of the Exchange Act.

Election Arrangements

Prior to the effectiveness of the closing of our acquisition of RareGen (now Liquidia PAH) in November 2020 (the “Merger Transaction”) pursuant to that certain Agreement and Plan of Merger, dated as of June 29, 2020, as amended, by and among Liquidia, RareGen, Gemini Merger Sub I, Inc., Gemini Merger Sub II, LLC and PBM RG Holdings, LLC, but conditioned on the closing of the Merger Transaction, pursuant to those certain Cooperation Agreements, dated as of June 29, 2020 (the “Cooperation Agreements”), our Board increased the authorized number of directors from eight to nine and appointed Dr. Jeffs and Mr. Manning as a Class I and Class III director, respectively, for terms expiring at our 2022 and 2021 annual meetings of stockholders, respectively, and until their successors are elected and qualified, or until such director’s earlier resignation, removal or death. The size of our Board shall not exceed nine directors during the Cooperation Period (as defined below) unless at least two-thirds of the members of the Board approve an increase in the size of the Board. Concurrently upon appointment to the Board, (A) Dr. Jeffs was appointed to the Compensation Committee and (B) Mr. Manning was appointed to the Nominating and Corporate Governance Committee and, in each case, we have agreed to maintain such committee appointments during the term of the applicable Cooperation Agreement, as long as each such director (or, as applicable, their Replacement Designee (as defined in the Cooperation Agreements)) continues to serve on our Board. Dr. Jeffs resigned from the Compensation Committee on December 31, 2021 in connection with his appointment as Chief Executive Officer of the Company. The “Cooperation Period” commenced on June 29, 2020, which is the date of the Merger Agreement, and expired on the later to occur of (x) the one-year anniversary of the date on which Dr. Jeffs or Mr. Manning or any Replacement Designee affiliated with such director no longer serves on our Board or (y) November 18, 2023, which is the three-year anniversary of the closing of the Merger Transaction.

Pursuant to the Standstill Agreement, our Board appointed Mr. Johnson as a Class II director for an initial term expiring at our 2023 annual meeting of stockholders and until his successor is elected and qualified, or until his earlier resignation, removal or death. Concurrently upon appointment to the Board, Mr. Johnson was appointed to the Audit Committee, and we have agreed to maintain such committee appointment during the term of the Standstill Agreement, as long as Mr. Johnson (or, as applicable, his Replacement Designee (as defined in the Standstill Agreement)) continues to serve on our Board.

There are no further contractual obligations, or terms of our outstanding securities, regarding the election of our directors.

Board Leadership Structure and Role in Risk Oversight

Our Board evaluates its leadership structure and role in risk oversight on an ongoing basis.

Our Board is composed of nine directors, of whom seven are independent in accordance with the applicable Nasdaq independence listing standards. Presently, the Board has the following standing committees: Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee. Each

of the standing committees is comprised solely of independent directors. In accordance with Nasdaq rules, our Audit Committee is responsible for overseeing risk management and updates the full Board periodically.

To assure effective and independent oversight of management, our Board currently operates with the roles of Chief Executive Officer and Chairperson of the Board separated in recognition of the differences between these two roles in the management of the Company. Although our Board does not have a policy as to whether the same individual may serve as both or all of Chairperson of the Board and Chief Executive Officer, or if the roles must be separate, our Board believes that its current leadership structure provides the most effective leadership model for our Company, as it promotes balance between the Board's independent authority to oversee our business and the Chief Executive Officer and his management team which manages the business on a day-to-day basis. The Chief Executive Officer has overall responsibility for all aspects of our operation, while the Chairperson of the Board has a greater focus on governance of the Company, including oversight of the Board. We believe this balance of shared leadership between the two positions is a strength for the Company. As our Chairperson, Dr. Bloch calls and chairs regular and special meetings of the Board, chairs and presides at annual or special meetings of stockholders, provides meaningful input into the agenda of Board meetings, authorizes the retention of outside advisors, consultants and legal counsel who report directly to the Board and consults frequently with committee chairs. Additionally, by permitting more effective monitoring and objective evaluation of the Chief Executive Officer's performance, this structure increases the accountability of the Chief Executive Officer. A separation of the Chief Executive Officer and Chairperson of the Board roles also prevents the Chief Executive Officer from controlling the Board's agenda and information flow, thereby reducing the likelihood that the Chief Executive Officer would abuse its power.

The Board, acting primarily through the Audit Committee, is also responsible for oversight of our risk management practices, while management is responsible for the day-to-day risk management processes. This division of responsibilities is the most effective approach for addressing the risks facing the Company, and the Company's board leadership structure supports this approach. Through our Chief Executive Officer and other members of management, the Board receives periodic reports regarding the risks facing the Company. In addition, the Audit Committee assists the Board in its oversight role by receiving periodic reports regarding our risk and control environment.

The Compensation Committee also reviews the Company's compensation practices to confirm that they do not create risks likely to have a material adverse effect on the Company. This review includes comparing the compensation practices of the Company with peer companies in the biotechnology and pharmaceuticals sectors as well as insuring that the compensation packages of key executives are tied to the long-term success of the Company and therefore correlated to increases in stockholder value.

Meetings of the Board and its Committees

The public company Board of Liquidia Corporation held a total of nine meetings during the fiscal year ended December 31, 2023. During the fiscal year ended December 31, 2023, Paul Manning attended fewer than 75% of the aggregate of all meetings of the Board held during the period in which he served as a director and the total number of meetings held by the committee(s) on which he served during the period. Other than Paul Manning, no director attended fewer than 75% of the aggregate of all meetings of the Board held during the period in which he or she served as a director and the total number of meetings held by the committee(s) on which he or she served during the period. Members of our Board are invited and encouraged to attend each annual meeting of stockholders. Eight of our then-serving members of our Board virtually attended the 2023 annual meeting of stockholders.

Board Committees

Our Board currently has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. These committees, their principal functions and their respective memberships are described below.

Audit Committee

The Audit Committee of our Board oversees the quality and integrity of our financial statements and other financial information, accounting and financial reporting processes, internal controls and procedures

for financial reporting and internal audit function. It also oversees the audit and other services provided by our independent auditor and is directly responsible for the appointment, independence, qualifications, compensation and oversight of the independent auditor. In addition, our Audit Committee is responsible for reviewing our compliance with legal, regulatory, and cybersecurity requirements, and it assists the Board in an initial review of recommendations to the Board regarding proposed business transactions.

The current members of our Audit Committee are Dr. Bloch and Messrs. Johnson, Kirsch and Singh, with Mr. Kirsch serving as Chairperson. All members of our Audit Committee meet the requirements for financial literacy under the applicable rules and regulations of the SEC and Nasdaq. Our Board has determined that Mr. Kirsch is an “audit committee financial expert” as defined under the applicable rules of the SEC and has the requisite financial sophistication as defined under the applicable rules and regulations of Nasdaq. Under the rules of the SEC, members of the Audit Committee must also meet heightened independence standards. Our Board has determined that each of Dr. Bloch and Messrs. Johnson, Kirsch and Singh are independent under the heightened audit committee independence standards of the SEC and Nasdaq. The Audit Committee operates under a written charter that satisfies the applicable standards of the SEC and Nasdaq.

The Audit Committee of Liquidia Corporation held five meetings during the year ended December 31, 2023. A copy of the Audit Committee’s charter is posted on our website at www.liquidia.com.

Compensation Committee

The Compensation Committee of our Board reviews and determines the compensation of all of our executive officers and establishes our compensation policies and programs. Specific responsibilities of our Compensation Committee include, among other things, evaluating the performance of our Chief Executive Officer and determining our Chief Executive Officer’s compensation. It also determines the compensation of our other executive officers. In addition, our Compensation Committee administers all equity compensation plans and has the authority to grant equity awards subject to the terms and conditions of such equity compensation plans. Our Compensation Committee also reviews and approves various other compensation policies and matters, including establishing policies and making recommendations to our Board regarding director compensation. In reviewing and advising the Board, the Compensation Committee considers aligning the level and structure of compensation with the long-term interest and risk policies of the Company, and creates a compensation structure that is appropriate to attract, retain and motivate (a) directors to provide good stewardship of the Company, and (b) key management personnel to successfully manage the Company, while not paying more than necessary to accomplish the foregoing. Our Compensation Committee may also review and discuss with management the compensation discussion and analysis that we may be required from time to time to include in SEC filings, and it may prepare a compensation committee report on executive compensation as may be required from time to time to be included in our annual proxy statements or annual reports on Form 10-K filed with the SEC.

In fulfilling its responsibilities, the Compensation Committee shall, to the extent permitted by the applicable rules of Nasdaq and applicable law, be entitled to delegate any or all of its responsibilities to one or more subcommittees of the Compensation Committee comprised of one or more members of the Compensation Committee. In connection with its evaluations and determinations in 2023, FW Cook, a nationally known executive compensation and benefits consulting firm, was engaged to advise the Company and the Compensation Committee on various matters related to executive and director compensation and compensation programs. Pursuant to its charter, the Compensation Committee has the power to hire and terminate such consultants and to engage other advisors as appropriate to perform its duties, and to determine the terms, costs and fees for such engagements.

The current members of our Compensation Committee are Drs. Bloch and Horobin, Ms. Rielly-Gauvin and Mr. Kirsch, with Dr. Horobin serving as Chairperson. Each of the current members of our Compensation Committee is independent under the applicable rules and regulations of Nasdaq and is, or was, a “non-employee director” as defined in Rule 16b-3 promulgated under the Exchange Act. The Compensation Committee operates under a written charter that satisfies the applicable standards of the SEC and Nasdaq.

The Compensation Committee of Liquidia Corporation held six meetings during the year ended December 31, 2023. A copy of the Compensation Committee’s charter is posted on our website at www.liquidia.com.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of our Board oversees the nomination of directors, including, among other things, identifying, evaluating and making recommendations of nominees to our Board, and evaluating the performance of our Board and individual members of our Board. When identifying nominees, the Nominating and Corporate Governance Committee considers, among other things, a nominee's character and integrity, level of education and business experience, financial literacy and commitment to represent long-term interests of our equity holders. Our Nominating and Corporate Governance Committee is also responsible for reviewing developments in corporate governance practices, evaluating the adequacy of our corporate governance practices and making recommendations to our Board concerning corporate governance matters.

The current members of our Nominating and Corporate Governance Committee are Dr. Bloch, Ms. Rielly-Gauvin and Messrs. Manning and Singh, with Dr. Bloch serving as Chairperson. The composition of our Nominating and Corporate Governance Committee meets the requirements for independence under the rules and regulations of the SEC and the listing standards of Nasdaq. The Nominating and Corporate Governance Committee operates under a written charter that satisfies the applicable standards of the SEC and Nasdaq.

The Nominating and Corporate Governance Committee of Liquidia Technologies and Liquidia Corporation, as applicable, held four meetings during the year ended December 31, 2023. A copy of the Nominating and Corporate Governance Committee's charter is posted on our website at www.liquidia.com.

Evaluation and Identification of Director Nominees

The Nominating and Corporate Governance Committee considers a number of factors in identifying and evaluating director nominees. While all nominees should have the highest personal integrity, meet any required regulatory qualifications and have a record of exceptional ability and judgment, the Board relies on the judgment of members of the Nominating and Corporate Governance Committee, with input from our Chief Executive Officer, to assess the qualifications of potential Board nominees with a view to the contributions that they would make to the Board and to Liquidia. Because our Board believes that its members should ideally reflect a mix of experience and other qualifications, there is no rigid formula. Our Nominating and Corporate Governance Committee does not have a specific policy with regard to the consideration of diversity in identifying director nominees; however, our Nominating and Corporate Governance Committee values diversity on our Board and considers the diversity of the professional experience, education and skills, as well as diversity of origin, in identifying director nominees. In evaluating potential candidates, the Nominating and Corporate Governance Committee will consider, among others things, the degree to which a potential candidate fulfills a current Board need, such as the need for an audit committee financial expert, as well as the candidate's ability and commitment to understand Liquidia and its industry and the candidate's ability to devote the time necessary to fulfill the role of director (including, without limitation, regularly attending and participating in meetings of the Board and its committees). In considering potential candidates, the Nominating and Corporate Governance Committee will consider the overall competency of the Board in the following areas:

- industry knowledge;
- accounting and finance;
- business judgment;
- management;
- leadership;
- business strategy;
- crisis management; and
- corporate governance.

In addition, the Nominating and Corporate Governance Committee may consider other factors, as appropriate in a particular case, including, without limitation, the candidate's:

- sound business and personal judgment;
- diversity of origin, experience, background and thought;
- senior management experience and demonstrated leadership ability;
- accountability and integrity;
- financial literacy;
- industry or business knowledge, including science, technology, and marketing acumen;
- the extent, nature and quality of relationships and standing in the research and local communities;
- in connection with nominees to be designated as “independent” directors, “independence” under regulatory definitions, as well as in the judgment of the Nominating and Corporate Governance Committee;
- independence of thought and ideas; and
- other board appointments and service.

The Nominating and Corporate Governance Committee considers recommendations for nominations from a variety of sources, including members of the Board, business contacts, community leaders and members of management, and the Nominating and Corporate Governance Committee also commissions formal search processes. As described below, the Nominating and Corporate Governance Committee will also consider stockholder recommendations for Board nominees. The Nominating and Corporate Governance Committee's process for identifying and evaluating candidates is the same with respect to candidates recommended by members of the Board, management, stockholders or others.

Stockholder Director Nominee Recommendations

The Nominating and Corporate Governance Committee will consider director nominees recommended by stockholders. Stockholders who wish their proposed nominee to be considered by the Nominating and Corporate Governance Committee for nomination at our next annual stockholders' meeting should follow the procedures set forth in our Bylaws as described in “Stockholder Proposals and Other Information” in this proxy statement.

Code of Conduct

In October 2016, we adopted a code of conduct, which applies to all of our employees, officers and directors, including those officers responsible for financial reporting. In July 2018, we amended our code of conduct to qualify as a “code of ethics” as defined by the rules of the SEC. In June 2020, upon the formation of Liquidia Corporation, we adopted a substantially similar code of conduct as the version which was approved in July 2018. In March 2022, we amended the code of conduct to reflect certain changes in management and to update certain other sections. The code of conduct is available on our website at www.liquidia.com. We intend to disclose any amendments to the code of conduct, or any waivers of its requirements, on our website to the extent required by the applicable rules and exchange requirements. The inclusion of our website address in this proxy statement does not incorporate by reference the information on or accessible through our website into this proxy statement.

Stockholder Communications

Any stockholder or other interested party who wishes to communicate directly with the Board as a group or any individual member of the Board, including any of our independent directors, should write to: The Liquidia Corporation Board of Directors, c/o Liquidia Corporation, 419 Davis Drive, Suite 100, Morrisville, North Carolina 27560.

Relevant communications will be distributed to any or all directors as appropriate depending on the facts and circumstances outlined in the individual communication. In accordance with instructions from the Board, the Corporate Secretary reviews all correspondence, organizes the communications for review by the Board

and distributes such communications to the full Board, to the independent directors or to one or more individual members, as appropriate. In addition, at the request of the Board, communications that do not directly relate to our Board's duties and responsibilities as directors will be excluded from distribution. Such excluded items include, among others, "spam," advertisements, mass mailings, form letters, and email campaigns that involve unduly large numbers of similar communications; solicitations for goods, services, employment or contributions; and surveys. Additionally, communications that appear to be unduly hostile, intimidating, threatening, illegal or similarly inappropriate will also be screened for omission. Any excluded communication will be made available to any director upon his or her request.

Clawback Policy

Effective November 2, 2023, our Board adopted a Policy for Recovery of Erroneously Awarded Incentive Compensation (the "Clawback Policy") in accordance with the Nasdaq listing standards. The Clawback Policy applies to all incentive-based compensation, which is any compensation that is granted, earned, or vested based wholly or in part upon the attainment of a financial reporting measure, received by our current or former executive officers who is or was an "officer" of the Company within the meaning of Rule 16a-1(f) of the Exchange Act, including our named executive officers.

The Clawback Policy applies in the case of an accounting restatement due to the material noncompliance of the Company with any financial reporting requirement under the securities laws, including any required accounting restatement to correct an error in previously issued financial statements that is material to the previously issued financial statements, or that would result in a material misstatement if the error were corrected in the current period or left uncorrected in the current period. The Clawback Policy provides that promptly following such an accounting restatement, the Compensation Committee will determine the amount of the erroneously awarded compensation, which is the excess of the amount of incentive-based compensation received by current and former executive officers during the three completed fiscal years immediately preceding the required restatement date over the amount of incentive-based compensation that otherwise would have been received had it been determined based on the restated amounts. The Company will provide each such executive officer with a written notice of such amount and a demand for repayment or return. If such repayment or return is not made within a reasonable time, the Clawback Policy provides that the Company will recover the erroneously awarded compensation in a reasonable and prompt manner using any lawful method, subject to limited exceptions as permitted by Nasdaq. Our current Clawback Policy is available on our website at www.liquidia.com.

Insider Trading Policy

We have adopted an insider trading policy (the "Insider Trading Policy"), which governs the purchase, sale and/or other dispositions of our securities by our directors, officers and employees, their immediate family members and entities owned or controlled by them as well as consultants that have access to material nonpublic information. The Insider Trading Policy is designed to promote compliance with insider trading laws, rules and regulations as well as the listing standards of The Nasdaq Stock Market LLC applicable to us. The Insider Trading Policy is filed as Exhibit 19.1 to our Annual Report on Form 10-K for the fiscal year ended December 31, 2023.

Anti-Hedging and Anti-Pledging Policy

Pursuant to Insider Trading Policy, members of the Board, officers, employees and consultants to the Company, as well as their immediate family members, are prohibited from engaging in short-term or speculative transactions involving the Company's securities that may be considered hedging, as well as pledging the Company's securities as collateral to secure a loan. Specifically prohibited transactions include, but are not limited to: (i) selling the Company's common stock within six months of purchasing such common stock in the open market, other than purchases and sales under the Company's Employee Stock Purchase Plan or sales made within six months before or after the exercise of options that were granted by the Company; (ii) engaging in "short" sales of the Company's securities; (iii) using the Company's securities held in a margin account or pledged as collateral to secure a loan, without prior written approval of the Chief Financial Officer, as the administrator of the insider trading policy; (iv) transactions in straddles, collars, or implementing standing and limit orders or other similar risk reduction devices, except in limited cases with the prior written approval of the Chief Financial Officer; or (v) transactions in publicly traded options relating to the Company's securities, such as put and call options.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS

The following table sets forth information regarding the beneficial ownership (as such term is defined in Rule 13d-3 under the Exchange Act) of our stock as of the Record Date, except as noted below, by:

- each of our directors and nominees;
- each of our named executive officers (as defined in Item 402(m)(2) of Regulation S-K);
- each person, or group of affiliated persons, who is known by us to beneficially own more than five percent (5%) of our common stock; and
- all of our directors and executive officers as a group.

We have determined beneficial ownership in accordance with the rules of the SEC, which generally means that a person has beneficial ownership of a security if he or she possesses sole or shared voting or investment power of that security, including options, restricted stock units or warrants that are currently exercisable or exercisable within 60 days of the Record Date. In computing the number of shares beneficially owned by an individual or entity and the percentage ownership of that person, shares of common stock subject to options, convertible securities or other rights, held by such person that are currently exercisable or will become exercisable within 60 days of the Record Date, are considered outstanding. We did not, however, deem such shares outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise indicated, to our knowledge, the persons and entities named in the table below have sole voting and sole investment power with respect to all shares that they beneficially own, subject to community property laws where applicable. The information in the table below does not necessarily indicate beneficial ownership for any other purpose, including for purposes of Sections 13(d) and 13(g) of the Securities Act.

We have based our calculation of the percentage of beneficial ownership on 76,382,718 shares of common stock outstanding as of the Record Date.

Unless otherwise indicated, the address of each beneficial owner listed in the table below is c/o Liquidia Corporation, 419 Davis Drive, Suite 100, Morrisville, North Carolina 27560.

Narrative Disclosure to Summary Compensation Table

Base Salary

The named executive officers receive a base salary to compensate them for services rendered to our Company. The base salary payable to each named executive officer is intended to provide a fixed component of compensation reflecting the executive’s skill set, experience, role and responsibilities.

As a public company, base salaries for the named executive officers will be reviewed periodically by the Board and/or the Compensation Committee, with adjustments expected to be made generally in accordance with the applicable employment agreements, as well as financial and other business factors affecting our Company, and to maintain a competitive compensation package for our executive officers.

Performance-Based Compensation and Bonuses

Our named executive officers are entitled to annual bonuses calculated as a target percentage of their annual base salary based upon our Compensation Committee’s assessment of their performance and our attainment of targeted goals as set by the Compensation Committee in their sole discretion and communicated to each named executive officer. Bonuses are based on the Compensation Committee’s assessment of each named executive officer’s and our performance and are paid pursuant to the terms of the Liquidia Corporation Annual Cash Bonus Plan (the “Bonus Plan”). The annual bonuses paid to our named executive officers in 2022 and 2023 reflect the achievement of 40% and 150%, respectively, of the corporate goals that were established by the Compensation Committee for those years. In addition, in 2022, due to the fact that 60% of the corporate goals, as determined by the Compensation Committee, were not met due to external factors and

due to the substantial progress of the Company towards readiness for commercial launch, the Compensation Committee awarded the named executive officers with additional bonuses equal to between 20% and 35% of the named executive officers' target bonuses.

Equity Compensation

We have historically awarded equity compensation to our named executive officers based on their performance in the form of stock options and restricted stock units ("RSUs"). Generally, grants of equity awards are made on the basis of level of responsibility, continued service to the Company and performance. The equity awards are subject to time-based and/or performance-based vesting, contingent upon the named executive officer's continued employment with the Company, with vesting subject additional performance milestones in limited circumstances as further explained below. The Compensation Committee determines equity awards after considering Company and individual performance and information and recommendations provided by our independent compensation consultant. With respect to our named executive officers other than our CEO, the Compensation Committee also considers the recommendations of our CEO when determining grant levels.

Other Compensation

The named executive officers are eligible to participate in employee benefits and insurance programs generally made available to full-time officers of the Company. We contribute to our 401(k) plan on behalf of our named executive officers and we also contribute to our named executive officers' health savings accounts, but we have no pension benefits, nonqualified defined contribution or other nonqualified deferred compensation plans for our named executive officers. 401(k) contributions are equal to 100% of eligible employee contributions up to 4% of an employee's salary, subject to the maximum amount permitted by the Internal Revenue Code. Health savings account contributions range from \$1,050 to \$1,325 per year depending upon the coverage level elected by an employee.

In January 2024, the Jeffs Target Amount was increased to 70% of his annualized base salary for 2024 and subsequent years. Dr. Jeffs' base salary may be increased from time to time by the Board and, notwithstanding anything to the contrary, may also be reduced if the Board determines such reduction is necessary and justified by our financial condition and implements an equal percentage reduction in the base salaries of all of our executive officers, provided that such reduction will not be greater than 10% of his base salary. The Jeffs Employment Agreement is governed by the laws of North Carolina. The Jeffs Employment Agreement also provides that Dr. Jeffs sign a confidentiality, inventions assignment, non-competition and non-solicitation agreement, pursuant to which Dr. Jeffs agrees to refrain from disclosing our confidential information during or at any time following his employment with us and from competing with us or soliciting our employees or customers during their employment and for 12 months following termination of his employment.

In the event Dr. Jeffs' employment is terminated without "Cause" or Dr. Jeffs resigns from his employment for "Good Reason" (as such terms are defined in the Jeffs Employment Agreement), then he will be entitled to receive, subject to his compliance with certain obligations: (a) salary continuation for 24 months (the "Jeffs Severance Period"); and (b) payment of that portion of the premiums required to continue his group healthcare coverage under the applicable provisions of the U.S. Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA") that exceeds the active employee rate, provided that he elects to continue and remains eligible for these benefits, until the earliest of (i) the close of the Jeffs Severance Period, (ii) the expiration of his eligibility for the continuation coverage under COBRA or (ii) the date when he becomes eligible for

substantially equivalent health insurance coverage in connection with new employment. In the event Dr. Jeffs' employment is terminated for Cause or due to his death or "Disability" (as defined in the Jeffs Employment Agreement) or Dr. Jeffs resigns from his employment for any reason other than a resignation for Good Reason, he will not receive any severance compensation or benefits.

In the event Dr. Jeffs' employment is terminated without Cause or he resigns for Good Reason within 12 months following the effective date of a Change in Control (as defined in the Jeffs Employment Agreement), then Dr. Jeffs will be eligible to receive, subject to his compliance with certain obligations, the same severance benefits on the same conditions as if he had been terminated without "Cause"; provided, however, that Dr. Jeffs shall receive an amount equal to the bonus (if any) that he would have earned pursuant to the Company's Annual Cash Bonus Plan, as amended by the Company from time to time (the "Bonus Plan") with respect to any full Performance Period (as defined in the Bonus Plan).

Kaseta Employment Agreement

We entered into an executive employment agreement with Mr. Kaseta, our Chief Financial Officer on November 30, 2020 (the "Kaseta Employment Agreement"), pursuant to which Mr. Kaseta is entitled to an annual base salary of \$435,000 and is eligible to receive a discretionary annual cash bonus of up to 40% of his annualized base salary (the "Kaseta Target Amount"). In December 2022, the Kaseta Target Amount was increased to 50% of his annualized base salary for 2023. In January 2024, the Kaseta Target Amount was increased to 60% of his annualized base salary for 2024 and subsequent years. Furthermore, Mr. Kaseta received a \$130,000 sign-on bonus which is subject to repayment if, prior to November 30, 2021, Mr. Kaseta's employment is terminated for "Cause" (as defined in the Kaseta Employment Agreement) or Mr. Kaseta resigns without "Good Reason" (as defined in the Kaseta Employment Agreement). Moreover, Mr. Kaseta is entitled to reimbursement of reasonable out-of-pocket costs of temporary housing and transportation and related income taxes assessed on Mr. Kaseta for up to 18 months after November 30, 2020, and a relocation allowance up to a maximum aggregate gross amount of \$80,000, each subject to the terms and conditions in the Kaseta Employment Agreement. Mr. Kaseta's base salary may be increased from time to time by the Board and, notwithstanding anything to the contrary, may also be reduced if the Board determines such reduction is necessary and justified by our financial condition and implements an equal percentage reduction in the base salaries of all of our executive officers, provided that such reduction will not be greater than 10% of his base salary. In accordance with the employment practices in North Carolina, Mr. Kaseta is employed on an at-will basis, meaning that either we or Mr. Kaseta may terminate his employment at any time without giving advance notice.

In the event Mr. Kaseta's employment is terminated without Cause or Mr. Kaseta resigns from his employment for Good Reason, and provided he signs and does not revoke a general release of claims in favor of our Company, among other things, then he will be entitled to receive, subject to his compliance with certain obligations: (a) salary continuation for nine months (the "Kaseta Severance Period"); (b) any unpaid bonus for any full performance period completed prior to the termination date; and (c) payment of the employer portion of the premiums required to continue his group healthcare coverage under the applicable provisions of COBRA, provided that he elects to continue and remains eligible for these benefits, until the earliest of (i) the close of the Kaseta Severance Period, (ii) the expiration of his eligibility for the continuation coverage under COBRA or (iii) the date when he becomes eligible for substantially equivalent health insurance coverage in connection with new employment. In the event Mr. Kaseta's employment is terminated for Cause or due to his death or "Disability" (as defined in the Kaseta Employment Agreement) or Mr. Kaseta resigns from his employment for any reason other than a resignation for Good Reason, he will not receive any severance compensation or benefits.

In the event Mr. Kaseta's employment is terminated without Cause or he resigns for Good Reason within 12 months following the effective date of a "Change in Control" (as defined in the 2018 Plan), then Mr. Kaseta will be eligible to receive, subject to his compliance with certain obligations, the same severance benefits on the same conditions as if he had been terminated without Cause; provided, however, that (a) the Kaseta Severance Period shall be increased to 12 months, (b) Mr. Kaseta will receive a bonus paid at the Kaseta Target Amount, and (c) in the event that Mr. Kaseta's outstanding equity as of the closing of the Change in Control is assumed or continued (in accordance with its terms) by the surviving entity in a Change in Control, then 100% of the unvested portion of such equity shall become vested.

Retirement Benefits

The only retirement benefit that we offer is our 401(k) plan, which is available to all employees. We currently provide a safe harbor match equal to 100% of an employee’s contributions to the 401(k) plan up to 4% of their salary, up to the applicable limit set forth in the Internal Revenue Code, or the Code.

Employee Bonus Plan

In June 2020, we adopted the Bonus Plan under which eligible employees are eligible to receive an annual cash bonus determined by the achievement of certain company and individual performance indicators that have been approved by our Compensation Committee and our Board for the relevant financial year.

Employees who are employed by us or our participating affiliates on the date the bonus payout is made are eligible to receive a cash bonus pursuant to and on the terms of our Bonus Plan. Employees who do not work a full plan year may be paid bonuses on a pro rata basis, at the discretion of our management. All bonus eligibility is subject to the determination of our Compensation Committee.

The determination of the bonus (if any) payable to any eligible employee is solely and completely within the discretion of our Compensation Committee, and there is no obligation on our Compensation Committee to award any bonus to any employee.

Potential Payments Upon Termination or Change in Control***Severance Plan***

In June 2020, we adopted an Executive Severance and Change in Control Plan (the “Severance Plan”), under which eligible employees are entitled to receive certain severance benefits upon the termination of their employment with us, if such termination was (a) initiated by us other than for “cause,” which does not include a disability or death termination, or (b) initiated by the employee for “good reason”, as defined under the Severance Plan ((a) or (b), an “Involuntary Termination”).

Under the Severance Plan, in the event of an Involuntary Termination, we will pay and provide the following to the eligible employee: (i) an amount equal to the employee’s monthly salary as of the termination date over a six month period payable in substantially equal installments in accordance with the Company’s normal payroll schedule; (ii) an amount equal to the bonus (if any) that an eligible employee would have earned if employed for the entire performance period, payable in the same manner and at the same time paid to other employees; and (iii) any accrued obligations, such as accrued salary and bonus, unpaid vacation pay and unreimbursed expenses; and post termination nonqualified deferred compensation benefits, equity awards and employee welfare benefits pursuant to the terms of the respective plans and policies under which such benefits are provided, if any. In addition, the Company will pay for the employer-portion of the monthly COBRA premiums, required for an eligible employee to continue the employee’s healthcare coverage (including coverage for eligible dependents, if previously elected) for a period of six months, provided that the eligible employee timely elects to continue such COBRA benefits and remains eligible for such benefits under applicable law, except as set forth in the Severance Plan.

In connection with an Involuntary Termination during the two-year period following a “change in control”, as defined under the Severance Plan, we will pay and provide the following to the eligible employee: a lump sum amount equal to the sum of (i) the employee’s monthly salary for a period of nine months; (ii) nine twelfths of the employee’s target annual incentive (such amounts shall be determined as of the date of termination); and (iii) an amount equal to the excess of COBRA coverage over the monthly premium rate for our active employees for a period of nine months and post termination nonqualified deferred compensation benefits, equity awards and employee welfare benefits pursuant to the terms of the respective plans and policies under which such benefits are provided, if any.

As a condition to receiving certain benefits under the Severance Plan, the eligible employee must execute and not revoke a valid release of claims in the form provided by us.

Generally, employees holding a position of vice president or a more senior position are eligible to be selected by our Compensation Committee to participate in the Severance Plan provided that the employee signs a participation agreement, except that an individual who is (a) party to an employment agreement with us that provides for payments upon his termination of employment, whether before or after a change in control, or (b) entitled to “deferred compensation” under Section 409A of the Code payable in installments as severance after a separation from service pursuant to a broad-based severance plan shall not be eligible.

The Severance Plan also provides for a Section 280G “better-of provision” such that payments or benefits that each or our named executive officers receives in connection with a change in control will be reduced to the extent necessary to avoid the imposition of any excise tax under Sections 280G and 4999 of the Code if such reduction would result in greater after-tax payment amount for such named executive officer.

Policies and Procedures for Related Party Transactions

Our Board has adopted a written related person transaction policy setting forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers, with certain exceptions set forth in Item 404 of Regulation S-K under the Securities Act, any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which we were or are to be a participant, where the amount involved exceeds \$120,000 and a related person had or will have a direct or indirect material interest, including, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness and employment by us of a related person. In reviewing and approving any such transactions, our Audit Committee, but only those independent directors who are disinterested, will be tasked to consider all relevant facts and circumstances, including, but not limited to, whether the transaction is on terms comparable to those that could be obtained in an arm's length transaction with an unrelated third party and the extent of the related person's interest in the transaction.

DELIVERY OF DOCUMENTS TO STOCKHOLDERS; HOUSEHOLDING

Pursuant to the rules of the SEC, Liquidia, intermediaries (e.g., brokers, banks and nominees) and service providers that Liquidia employs to deliver communications to its stockholders are each permitted to deliver to two or more stockholders sharing the same address a single Notice or copy of the proxy materials. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies and intermediaries. Under this process, stockholders of record who have the same address and last name will receive a single envelope containing the Notice for all stockholders having that address. The Notice for each stockholder will include that stockholder’s unique control number needed to vote his or her shares.

Upon written or oral request, Liquidia will promptly deliver a separate copy of the Notice or proxy materials to any stockholder at a shared address to which a single copy of the Notice or proxy materials was delivered and/or who wishes to receive separate copies in the future. Stockholders receiving multiple copies of the Notice or proxy materials may likewise request that Liquidia deliver single copies of the Notice or proxy materials in the future. Stockholders may notify Liquidia of their requests by calling or writing Liquidia at its mailing address at (919) 328-4400 or Liquidia Corporation, 419 Davis Drive, Suite 100, Morrisville, North Carolina 27560, Attention: Corporate Secretary, respectively.

If you are a beneficial owner, you can request information about householding from your broker, bank or nominee.
