

Liquidia Corporation Announces Inclusion in the S&P SmallCap 600® Index

June 8, 2026

MORRISVILLE, N.C., June 08, 2026 (GLOBE NEWSWIRE) -- Liquidia Corporation (Nasdaq: LQDA), a biopharmaceutical company driven by science and compassion to revolutionize care for patients with challenging respiratory and vascular diseases, announced today that it will be added to the S&P SmallCap 600® Index, effective prior to the opening of trading on June 22, 2026.

Introduced in 1994, the S&P SmallCap 600 is a widely followed benchmark of 600 U.S. small-cap companies selected by S&P Dow Jones Indices based on market capitalization, liquidity, shares available for public trading, and profitability criteria.

Dr. Roger Jeffs, Liquidia's Chief Executive Officer, said: "Inclusion in the S&P SmallCap 600 is a meaningful marker of how far Liquidia has come, and it is a credit to the entire team. It reflects the discipline and execution behind our progress and the foundation we have built through our commitment to patients, innovation and operational excellence. We are focused on the opportunities ahead as we continue our work to revolutionize care for patients with challenging respiratory and vascular diseases."

About Liquidia Corporation

Liquidia Corporation is a biopharmaceutical company driven by science and compassion to revolutionize care for patients with challenging respiratory and vascular diseases through precise, innovative therapies and applications of its proprietary PRINT® technology. PRINT enabled the development of YUTREPIA® (treprostinil) inhalation powder for the treatment of pulmonary arterial hypertension (PAH) and pulmonary hypertension associated with interstitial lung disease (PH-ILD). The company is also developing L606, an investigational extended-release formulation of treprostinil administered twice-daily with a next-generation nebulizer, and currently markets generic Treprostinil Injection for the treatment of PAH.
