

Liquidia to Present at the 2020 Jefferies Virtual London Healthcare Conference

November 12, 2020

RESEARCH TRIANGLE PARK, N.C., Nov. 12, 2020 (GLOBE NEWSWIRE) -- Liquidia Technologies, Inc. (Nasdaq: LQDA), a late-stage clinical biopharmaceutical company focused on the development and commercialization of novel products utilizing its proprietary PRINT® technology, today announced that Neal Fowler, Chief Executive Officer of Liquidia, will present at the 2020 Jefferies Virtual London Healthcare Conference at 7:55 PM GMT (2:55 PM ET) on Thursday, November 19, 2020.

A link to the live audio webcast and replay of the presentation will be available on the [Events & Presentations](#) page of the Company's corporate website, and will be archived for a minimum of 90 days.

About Liquidia

Liquidia is a late-stage clinical biopharmaceutical company focused on the development and commercialization of novel products using its proprietary PRINT® technology to transform the lives of patients. PRINT is a particle engineering platform that enables precise production of uniform drug particles designed to improve the safety, efficacy and performance of a wide range of therapies. Currently, Liquidia is focused on the development of two product candidates for which it holds worldwide commercial rights: LIQ861 for the treatment of pulmonary arterial hypertension (PAH) and LIQ865 for the treatment of local post-operative pain. Liquidia is headquartered in Research Triangle Park, NC. For more information, please visit www.liquidia.com.
