Item 8.01 Other Events.

On December 10, 2021, United Therapeutics Corporation (“United Therapeutics”) filed a complaint in the Superior Court in Durham County, North Carolina, alleging that Liqvidia Corporation, a Delaware corporation (“we” or the “Company”), and a former United Therapeutics employee who later joined the Company as an employee, conspired to misappropriate certain trade secrets of United Therapeutics and engaged in unfair or deceptive trade practices. The claims are substantially similar to the claims that United Therapeutics previously sought to add to its patent infringement lawsuit against the Company in the U.S. District Court for the District of Delaware (Case No. 1:20-cv-00755-UNA) (the “Hatch-Waxman Litigation”). As previously announced, on November 17, 2021, the Court in the Hatch-Waxman Litigation denied United Therapeutics’ motion to add these claims to the Hatch-Waxman Litigation, but without prejudice to United Therapeutics’ ability to bring these additional claims in a separate action. We continue to disagree with United Therapeutics’ allegations, deny any liability for misappropriation of any trade secrets or for engaging in any unfair or deceptive trade practices and intend to vigorously defend against these allegations.
